The Aim and Process of Writing

Aim – The "Why" of Writing

Process – The "How" of Writing

PROOFREADING AND PUBLISHING

- Correcting errors in grammar, usage, and mechanics
- Sharing your writing

PREWRITING

- Choosing a purpose, subject, and audience
- Gathering ideas, using prewriting techniques
- Arranging information

EVALUATING AND REVISING

- Making judgments about content, organization, and style
- Making changes to improve the draft

WRITING

- Putting ideas down on paper
- Including new ideas you discover as you write
